

SMALL GROUPS @ All Nations!

In the Bible, we read that the early church met regularly in “groups” to learn the doctrines of God, to fellowship, to break bread and to pray for one another (Acts 2:42). They did “life” together and the church grew daily! Below are some of the small group/Bible studies available for you and your family. Some are meeting via ZOOM but transitioning to “in person” soon. Some classes are both virtual and in person. Please choose a group to join and begin to grow with others in your spiritual walk with God!
